Maruti Suzuki Alto 800 is elegantly designed with a fresh new appeal. This entry-level hatchback has got a new front grille and sharp headlights. The body-colored ORVMs are another attraction. The dynamic new aero edge design with modified bumper and side fender, together makes the hatchback appealing. How does it drive? Driving an Alto 800 is in your grip due to its tubeless tyres. The new F8D engine allows a robust performance. The 796cc 3-cylinder BS6 engine paired with a 5-speed manual transmission gearbox produces a maximum power of 47 bhp at 6000 rpm and a peak torque of 69 Nm at 3500 rpm. How comfortable is Alto 800? For comfort, you can get access to the air conditioner and heater, and the rear seats have got headrest. The standard variants have rear parking sensors, vinyl upholstery in the cabin, front and rear console bottle holder. With the top models, additional items like keyless entry, remote back door opener, are featured. How's the interior? The interior of the hatchback is refined and focused highly on comfort. The elite looking speedometer is newly designed, and you get a SmartPlay Studio with a 17.78 cm Touch Screen Infotainment System. The stylish dual-tone interiors along with dual-tone elegant dashboard complement its entire inside-outside look. An additional front and rear console bottle holder is designed to maintain the standard interior look of the hatchback. How's the tech? Maruti Suzuki Alto 800 maintains pride in technology. It has got some exclusive features like keyless entry, SmartPlay dock with Bluetooth connectivity, power windows, assist grips for drivers, and a few more. Mobile Dock transfers your smartphone into a touchscreen Infotainment System and is paired with the audio system of the car. Furthermore, one can make calls, navigate, and enjoy a musical ride. How's the storage? The seats inside the cabin are adjustable and the rear seats are foldable. The boot space is approximately 177 litres and the hatchback offers a seating capacity of 5 people. How's the mileage? The BS6 compliant Alto 800 from Maruti Suzuki is available in the market in two fuel variants - petrol and CNG. The claimed mileage of the petrol variants is 22.05 kmpl, whereas the claimed mileage for CNG variants is 31.59 km/kg. The hatchback can cover a range of 772 km with a fuel tank petrol engine. How safe is Alto 800? Safety is an important feature that every car manufacturer must focus on. As the standard safety measures, driver-side airbags, rear parking sensors, ABS with EBD, speed alert system, and seat belt reminder are offered. The dual airbags in the front reduce the chances of head injury for the driver and his co-passenger. The top variants get additional dual airbags for the passenger seat. The LXI variants have a child safety lock feature. Some additional safety measures are rear seat belts, engine immobilizer, and anti-theft device. Is it a good value for money? Yes, Alto 800 is worth its value if you are having a small family. It is a 4 seater car and therefore can support 4-5 members. The on-road price of the car is relatively cheaper in comparison to the facilities it offers and most importantly the fuel economy. The style elements with tech support and safety measures make the hatchback perfect for a city drive. What is the price of Maruti Suzuki Alto 800 Top Variant in 2022?
